

Shire of Shark Bay - Town Services Officer & Waste Management Officer

The Shire of Shark Bay is seeking expressions of interest from motivated individuals to join our Works Department team. We're looking for reliable, hands-on people who want to help maintain and improve our unique coastal community.

Please note: You must have your own accommodation — housing is *not* provided for these roles.

Town Services Officers – We have casual, and fulltime opportunities. Minimum MR licence required. Experience in plant operations, parks, playgrounds, construction, building maintenance will be looked upon favourably. Must have own accommodation.

You'll need:

- A current driver's licence (MR minimum)
- A white or blue construction card
- Previous experience in the operation of plant in Local Government or similar field.
- Working knowledge of reticulation and plumbing issues associated with Council equipment.
- Basic knowledge of plant mechanical repairs and plant operation techniques.
- Developed understanding of Occupational Health and Safety practices.

Waste Management Officer –

We're looking for a full-time staff member to manage gatekeeping duties and operate equipment at the Shire of Shark Bay's Refuse and Recycling Site. The role requires a professional standard of service that meets both community expectations.

You'll need:

- A current driver's licence (MR minimum)
- A white or blue construction card
- Basic knowledge of refuse and recycling site operations.
- Developed understanding of Occupational Health and Safety practices.
- Previous experience in the operation of plant in Local Government or similar field.
- Experience in a customer service role
- Relevant experience and licences for the role Developed knowledge of plant operation techniques, mechanical repairs and maintenance of plant.

Job descriptions are available upon request.

How to apply:
