My name is Ed Fenny, I am 42 years old and have lived and worked in Shark Bay for 21 years. My fiancé and I have 3 small children who we are committed to raising in this beautiful town.

I believe I am a strong communicator with good interpersonal skills and relish being involved in local government and giving back to my community. I have served on council for 9 years and have thoroughly enjoyed helping to deliver some brilliant outcomes for the people of Denham. I am excited to nominate for council again in 2025 and would love the opportunity to continue to represent my community.

I am passionate about improving health services and campaigning for a permanent doctor for Denham, supporting and developing our local industries and enhancing opportunities and pathways for the children of this town.

I love Shark Bay and feel incredibly privileged to be part of our thriving community and would appreciate your vote so that I can continue to represent you.
