# LYONS, Bradley

As a local Business owner with a young family in the town. I feel I am at a point where I would like to be considered as a councillor, I feel I can bring fresh ideas and energy to the table to help the town and area we live in.

We have lived in Shark Bay since 2015 and found it to be a place of great opportunity, I don't have a set agenda that I would propose, rather be a voice on behalf of the community. I would look for common sense solutions to obstacles and be separate from any set agenda.
