OAKLEY, Marika Kate

My name is Marika Oakley and I am born and bred here in our wonderful community of Shark bay. I have strong connections to this community from a personal perspective and looking after what I believe is the most spectacular and unique area in the world and all that it encompasses.

Currently I am undertaking training as an Indigenous ranger and I am nearing completion of my Certificate 2 in conservation and land management. I am also the Chairperson of the Malgana Aboriginal Corporation, a role in which I am a volunteer.

It is very important to me to ensure that the perspectives of a community are not only heard but carried to create sustainability for a community whilst looking after it from a conservation perspective, but still ensuring the economic development to support our community.

A unified community is a successful one.
